CONTRACT APPLICATION

Once you have viewed and if you are invited to make a formal application for the Contract prospective Contract-Holders must each provide information to the Landlord's agents and to a reference/credit checking agency as part of their application for the Contract. A separate Holding Deposit of the equivalent of one week's rent must also in accordance with statute¹ be paid by the applicant upon any offer (subject to contract) of a Contract by the Landlord and will confer the right of first refusal on the property subject to the completion of a Contract agreement within 15 days of receipt of payment (unless extended by the parties' agreement). Should the application be successful, then the Holding Deposit will be used towards part payment of the Security Deposit. The Holding Deposit will however be retained by the Landlord should the applicant(s) provide false or misleading information at the time of their application and/or if an applicant(s) chooses not to enter into a Contract agreement or fails to take reasonable steps to enter one.

I understand that any offer of a property is subject to references and contract and agree for any Notices/Information to be sent via email and/or post.
